

Growth in Giving Chart

This chart is prepared for your use as you prayerfully consider your financial gift to (name of congregation) in (year). Please remember that our giving is done from a sense joy and duty. The discipleship practice of giving is done in joy and delight for God's gift of Jesus Christ and life - giving grace through him. It is also done with a sense of duty. It is the duty of making certain our ministry remains strong and bold in the proclamation of Jesus Christ and God's love to a world in need.

Please find your currently giving level on the chart and prayerfully consider growing your gift by at least 10% over this next year.
