## **RAIN AND THINGS AND OTHER THINGS.....by Pastor Ken Gibson**

OK, here is one thing, “Oh, how I wish I did not have to write this article just yet.” It is not that I don’t like to write these monthly articles, as I very much do, it is just that it’s prior to our leaving for Colorado with our youth and when it’s an amazing time of excitement for me and for our confirmation youth. I wish there was a way to bottle the excitement that we feel as we begin this journey in that way we would be able to open it up from time to time and wash ourselves in the energy that is this trip.

Here is another thing. Today the weather man is predicting about five or six days in a row without rain! That is a forecast that so many have desired all thru this spring. I know it has been hard to get in soccer matches and baseball games and many other outdoor activities, but I want us to consider the backbone or our Midwest economy. We are, you and I, living in the heart of the nations corn belt and our economy in many ways has a connection to it all. Now with all this rain, there are a number of corn and soybean fields that will not get planted. And while there is a thing called crop insurance for the producers, I don’t think we understand the trickle effect of no crops being planted. Producers/farmers need fuel to power their tractors, spare parts when they breakdown, tires, plow shears, field cultivator sweeps, nuts and bolts, fertilizer, and ag chemicals... on and on the list could go. If there are no crops there is no need for the inputs and thus all the people who make their living from those supply industries and the supply industries that supply them. It causes me to realize that problems are not easily defined and things are not easily categorized or dismissed as we see that crop insurance does not cover the interconnectedness so many have to each other. Taking it further, there will be less crops to harvest this fall and thus less fuel to dry corn and less of the costs and such associated with bringing in the harvest.

I have no solution to all this, but I do think we can learn that things are not as simple as we may think.

And another thing; Summer worship. I wish I could share with you how wonderful it is to see our attendance go up every summer. To share in the joy it is when we bring family members who are visiting over the summer months to share in our wonderful worship offerings here at Grace. But alas, that is not the case, but it could be. Just remember please that the needs of this ministry we share, called Grace, go on thru the summer and as such we are fed by the wonderful repeating of worship every week. We need to worship, not just to keep the budget in tack, but even more so that we keep each other in tack. We need the community to gather and relive the Easter experience and to share in the connectedness that comes when we share together in Christ’s name. See you in the pews, I need you and we need each other.

## CHURCH TOGETHER.....by Pastor Amanda

In June, members from Grace traveled to Augustana College in Rock Island for the 32nd annual Synod Assembly. It is a joy to be reminded of and connected to the greater church. We gathered alongside members of other Lutheran congregations across Northern Illinois for worship, the business work of the church, learning, and fellowship.

Our synod's bishop, Bishop Jeff Clements, shared and spoke about our synod's new mission statement during his report: "Walking together . . . loving Christ, loving all, for the sake of the world.," as well as the identified core values of: worship/prayer, innovation, leadership, equipping, and evangelism. You are invited to see his report, and other synod assembly highlights online at <http://assembly.nisynod.org/highlights/>

I am always grateful for synod assembly as a chance to gather with people from across the synod, and to get to know Grace's voting members through shared experiences, meals, and carpooling. I hope you will consider attending synod assembly if you have not yet had the chance, as an elected-from-Grace voting member or as a visitor.

This year, I am particularly grateful for the guest speaker who guided the assembly in theological reflection. The Rev. Dr. Anna Madsen is a freelance theologian, creator of OMG: Center for Theological Conversation, and host at The Spent Dandelion Theological Retreat Center in Two Harbors, MN. As the Rev. Dr. Anna Madsen spoke to and with the assembly, we heard the interweaving of quantum physics, process theology, personal story, and hope. Two of the theological reflections she offered spoke tremendous words of grace to me, the notion that "all we know is what we have in this moment," and that "in every single moment of time, God is operating, acting, and involved, and in each moment, God is luring us into the next moment."

Today, right now as you read this far into a newsletter article, may this known moment in time be a blessing to you. I hope and pray that as you reflect on past moments or anticipate moments in the future- that this moment may be a revealing of God's active and redeeming love. Peace and joy to you in this summer season, may we indeed find time and ways to be church together and to be attentive to the present moment.

**VBS DELAYED FOR ONE YEAR-** Due to unforeseen circumstances we will not be able to offer Vacation Bible School here at Grace this summer. Please note this is not what many of us would like to see happen, but at this time it is not feasible to make our effort what we need to make sure we have a successful event. VBS is intended to be in place again in the summer of next year. If you have questions please contact the Pastors for discussion. Thank you.

**LUTHERAN DISASTER RELIEF FUND-** As we see the flooding in the U.S. and cyclones and floods abroad, we can always be supportive of the relief effort through the Lutheran Disaster Relief Fund. If you feel led to help with these efforts please send contributions to "Lutheran Disaster Response" and mail to: Evangelical Lutheran Church in America, P.O. Box 1809 Merrifield, VA 22116-8009. You can go to the ELCA web site and make a contribution also.

**JOB OPPORTUNITY HERE AT GRACE-** We are currently looking for applicants for the position of Director of Educational Ministries. Please give prayerful consideration to this position and if interested you may contact the church office for a job descriptions. If you have any questions, please direct these to Pastor Ken or Pastor Amanda. We thank Melissa McMahon for her service and dedication in this position.

**HANDS OF GRACE MINISTRY OFFERING-** A possible new ministry is being considered that will serve as a one time offering to assist Grace members who may have a special need and need a small labor force to get it done. An example might be a member is ill and a project needs to be done, like perhaps fixing a hand rail, raking up some leaves and sticks, hauling out an old refrigerator from the basement, or something along those lines. These offerings of assistance would need to be in line that a small group of us could assist in helping at the members request. Major repair projects or continual needs would not be

a good use of this ministry. The member would need to think along the lines of: "I need this done one time, then that will be good." If you are interested in being a part of this potential new ministry offering, please see the sign-up sheet in the green activity binder. Both men and women are welcome to take part. Once we have a good core group onboard, we will call a meeting and get ourselves organized.

**HELP WITH OUTDOOR SERVICES-** We are in need of helpers to set up and take down the outdoor summer services. Both 8:30 a.m. & 10 a.m. attendees are needed.

When: Outdoor Sundays - July 21, August 18, Sept. 15 Who: TWO CREWS - "8:30 People" from 7:45-8:15 am to load equipment and set up in the worship area. "10 am People" after the outdoor service to take down equipment, load and help reset it in the sanctuary (about a 20 minute job).

Talk to a pastor, see Sue Olsen or email rfredriksen @ gracewoodstock.org. Email Ron if you can help with any or all dates. Thank you.

**SENIOR LUNCHEON - July 23** - We start our summer meal off with an assorted platter of cheese and crackers followed by an impressive looking layered chicken salad served with croissants and a melon platter. ## GOD'S WORK. OUR HANDS-

Dear friends, the Bears play the Packers on Thursday night, September 5 this year. I am so excited, because on **Sunday, September 8 at 12 p.m.**, I would love for you to join me on one of my favorite days of the year, the "God's work. Our hands." ELCA Service Day. Together in Jesus Christ we are freed by grace to live faithfully, witness boldly and serve joyfully. Mark your calendar today! Since 2013, Grace Lutheran Church and thousands of ELCA congregations have participated in this dedicated day of service, gathering to serve communities in ways that share the love of God with all of God's people. The event has quickly become an anticipated way to be "church together" and "church for the sake of the world."

"God's work. Our hands." Sunday is an opportunity to celebrate who we are as the Evangelical Lutheran Church in America (ELCA) – one church, freed in Christ to serve and love our neighbor.

Please let me know if you would like to help plan this year's day of service, if you would be willing to serve as a team leader at one of our sites, or if you have an idea for a community partner or service project this year. I hope to hear from you soon and I can't wait to see you all on **Sunday, September 8!** ~Peace, Pastor Amanda
